

LOVE AND SECURITY FOR DISABLED CHILDREN AND THEIR FAMILIES

„Thank you so much for supporting, assisting, and fostering our nestwärme network. We are so happy that – with the help of your generous donation – we can now support r our families in a more flexible, efficient, and professional manner.“

Petra Moske, Founder and Chairwoman of the Board, nestwärme e.V. Deutschland

nestwärme

Founded in 1999, nestwärme e.V. Deutschland supports families and single parents of disabled or chronically ill children across Germany. nestwärme has ten facilities, over 1,400 volunteers, and more than 80 salaried employees. The organization also helps families in Luxemburg, Austria, and Switzerland.

NAME OF ORGANIZATION
 nestwärme e.V.

FOCUS
 Support of families with disabled or chronically ill children

nestwärme offers a nationwide specialist counseling service and a parent hotline. It also lightens the families' burden by placing volunteers and managing in-kind donations. In addition, it runs a pediatric outpatient intensive care program, an outpatient hospice care program, and an integrative childcare facility.

PRODUCTS RECEIVED
 Comprehensive Microsoft package

Stifter-helfen.de – IT for Nonprofits provided nestwärme with a comprehensive Microsoft package including Dynamics CRM 4.0 Professional, Exchange Server 2010 Standard, Windows 7 Professional, and Office Professional Plus 2000.

RESULTS
 Modern IT infrastructure
 Enhanced networking
 Time and cost savings

The Microsoft donations helped nestwärme upgrade all its PCs. Above all, the donations improved the countrywide management of nestwärme's staff and projects. With Microsoft Dynamics CRM, the organization can now coordinate and manage employees, projects, and activities across the country more efficiently. Employees, volunteers, and headquarters can now collaborate better and communicate more efficiently with each other, which saves time and costs. The entire team has now access to the extensive nestwärme database – from anywhere, at any time. This enabled nestwärme to rise to a new level of professionalism without having to rent large office spaces.
