

Who are they?	FUNDACIO PERSONA I VALORS
Where are they?	Lérida, (Catalonia, Spain).
What do they do?	The foundation has, as their main activity, the management of a Child Care Center.
What did they receive?	Microsoft and Cisco Products
The outcome?	<p>DONO helped us set up a IT System which our Foundation can use for managing the residence for children and young people. DONO allowed us to get more out of our budget, leading to increase capacity of software and network electronics.</p> <p>The outcome was a substantial improvement in the deployment of our ICT for Fundacio Persona i Valors.</p> <p>To sum up, our relationship with DONO has been very positive and it's given us access to top quality products going over budget.</p>
